We supply a wide range of memorials in many different designs, materials and colours.

Cemetery memorials

Our comprehensive range of lawn memorials, suitable for cemeteries, are available in high quality granites including Blue Pearl, Shanxi Black, South African Dark Grey, Karin Grey and Red. A full brochure is available on request.

Temporary grave marker

Includes an engraved nameplate. Used prior to headstone being fitted, will usually be in place for 6-9 months.

Engraving

We are very experienced in advising families what to have engraved on a memorial. Our team will understand the sentiments that you wish to leave and can provide some options if needed.

Bespoke designs

Bespoke memorials can be crafted using a range of techniques such as hand painting, shading and etching. There are a wide range of images to choose from, or you can create your own design.

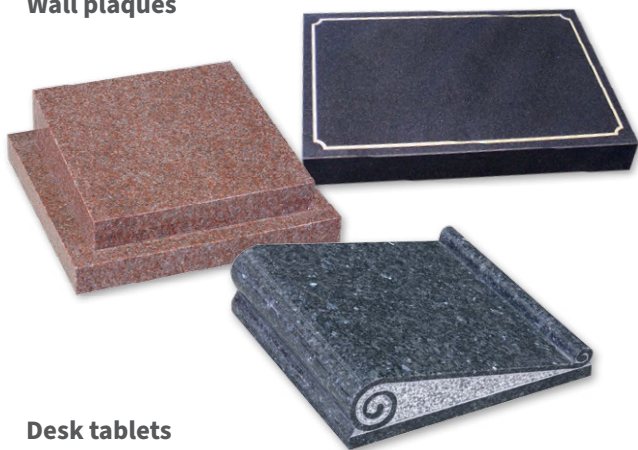

Cremation memorials

A choice of marble and granite desks (ground tablets) and slabs in various colours are used for cremation memorials.*

Wall plaques

Desk tablets (ground)

*Not all cemeteries will allow sloping desk tablet cremation memorials, Beckfords can advise.

Keepsakes

Ashes to diamonds

We are able to turn the ashes of your loved ones into genuine diamonds - now a part of them will stay with you forever in the shape of a sparkling diamond. It can be mounted into a ring, earrings or pendant.

Ashes to glass jewellery

One of a kind gemstones are created by layering cremation ashes within molten glass and coloured glass crystals. Each item is diamond-point engraved with your own message of up to 25 characters.

Memorial Handprint Jewellery

Beautiful, bespoke jewellery to keep loved ones close. Each piece is created by highly skilled designers who create meaningful keepsakes that offer strength, comfort and hope during life's journey.

Remembrance handprint kits

Also available.
